CBM and "Fans"
Congratulate Dawson

The Chicago Baseball Museum and the fans of Andre Dawson gave their congratulations to the newest member of Baseball's Hall of Fame on Wednesday, July 28 at Alexian Field in Schaumburg at the Schaumburg Flyers "Andre Dawson & Friends" Celebrity Softball Game event.

In pre-game ceremonies, Connie Kowal, Chicago Baseball Museum Executive Director, addressed the crowd and presented Andre a "Congrats Card" signed by hundreds of Dawson's fans as a keepsake for Dawson and his induction into the Hall of Fame. Joining Kowal in the pre-game ceremonies were CBM legal counsel Paul Duffy along with CBM contest winners Chris Kearney of Buffalo Grove and his 10-year old son, Ryan, who presented the Congrats Card to Dawson on fhe field. "The fans of Chicago have meant so much to Andre, so we thought it was important to have the fans of Andre Dawson thank him with a special congratulations card, presented to him by a father and his son, and something that Andre can take home, share with his family and keep forever", said Kowal.
